Derwent London plc (“Derwent London” / “the Group”)

Derwent London announces successful applications for its Spring 2018 Community Fund

Derwent London is pleased to announce the successful applicants for its Community Fund (spring 2018 round) from local community groups, residents and local business owners in Fitzrovia and Tech Belt*.

The Spitz Charitable Trust - Music for Wellbeing 2017

Fitzrovia Centre – Camels in the community 2017

Over £79,000 is being awarded to the following projects for spring 2018:

Fitzrovia

- All Souls Clubhouse** – Wednesday Lunch Club
- All Souls Primary School** – Blue Plaque Walk project
- Fitzrovia Centre** – Heroes’ journey intergenerational arts project
- Fitzrovia Chapel** – autumn exhibition
- Fitzrovia Neighbourhood Association** – Positive Health project
- Fitzrovia Youth in Action** – Community Christmas lunch
- Whitefield Charity Soup Kitchen** – Soup kitchen costs

Tech Belt

- Foundation for Change** – The NEXT psychology project for the homeless
- Inspire for Central Foundation School for boys** – Leadership academy
- Islington Boat Club** - Summerservity
- Islington Play Association** – Sunny Saturdays
- The Peel** – Clerkenwell Coding Club for children
- St Hilda’s East Community Centre** – Community food co-op outreach
- The Parent House** – Outreach in the community

The projects chosen were from a large number of applications which were submitted as part of the application process. In both areas, community panels were convened with officers from the local authorities and staff from Derwent London, to contribute to the decision-making process. There was an impressive range of applications and the winning entries have been selected on the basis that they will offer positive benefits – from employment to environmental, social, cultural, arts and health.

John Davies, Head of Sustainability at Derwent London, commented:

“2018 is our fifth anniversary of the fund. We are once again really pleased to see such a great range of local projects and to be able to support these different initiatives which are much needed in the local areas. We are committed to continuing the fund and will be offering the second tranche of the Tech Belt fund in autumn 2018, to give a chance for others to see their projects flourish.”

*The Tech Belt is defined here as the area extending from King’s Cross to Whitechapel, largely covering EC1 & E1.

Notes to editors**Derwent London plc**

Derwent London plc owns 87 buildings in a commercial real estate portfolio predominantly in central London valued at £4.9 billion (including joint ventures) as at 31 December 2017, making it the largest London-focused real estate investment trust (REIT).

Our experienced team has a long track record of creating value throughout the property cycle by regenerating our buildings via development or refurbishment, effective asset management and capital recycling.

We typically acquire central London properties off-market with low capital values and modest rents in improving locations, most of which are either in the West End or the Tech Belt. We capitalise on the unique qualities of each of our properties – taking a fresh approach to the regeneration of every building with a focus on anticipating tenant requirements and an emphasis on design.

Reflecting and supporting our long-term success, the business has a strong balance sheet with modest leverage, a robust income stream and flexible financing.

Landmark schemes in our 5.5 million sq ft portfolio include White Collar Factory EC1, Angel Building EC1, The Buckley Building EC1, 1-2 Stephen Street W1, Horseferry House SW1 and Tea Building E1.

In 2018 to date the Group has won the Property Week Property Company of the Year award whilst White Collar Factory scooped an RIBA London award, RICS award and two BCO awards for Commercial Workplace and Innovation. 25 Savile Row also won an RIBA London award and SKA Gold for the fit-out. In 2017 the Group collected the Property Week Developer of the Year award and EG Offices Company of the Year and won further awards from RIBA, Civic Trust and BCO. In 2013 Derwent London launched a voluntary Community Fund and has to date supported 56 community projects in Fitzrovia and the Tech Belt.

The Company is a public limited company, which is listed on the London Stock Exchange and incorporated and domiciled in the UK. The address of its registered office is 25 Savile Row, London, W1S 2ER.

Background to the Derwent London Community Fund - Fitzrovia

Derwent London's Community Fund forms part of the Group's on-going sustainability programme and commitment to developing community engagement. Creating Value in the Community is a key priority and, to deliver on this principle, the Group has evolved a voluntary Community Fund to support local projects in the key areas in which it operates. Funds are designed to support projects with a focus on community events, environmental improvements, health & well-being activities, music & culture and ongoing help for disadvantaged/isolated groups. Starting with Fitzrovia in 2013, the Group offered a £250,000 Community Fund and supported 17 local projects from 2013 – 2015. Notable projects have included resurfacing a multi-use games area, music workshops for people with mental health problems, art project for homeless people and lunch club for the elderly.

In 2016, Derwent London announced an extension to the fund of £300,000 to be shared equally in Fitzrovia and now in the Tech Belt, to be spread over three years.

Community Fund in Tech Belt

The Tech Belt Community Fund launched in 2016 and runs twice a year (summer and winter) offering c.£25,000 each time. The context, background and issues around the considerably larger Tech Belt area are somewhat different and more diverse than Fitzrovia and so the scope has been extended to support:

- young people, training & upskilling, increasing employment/apprenticeship opportunities for disadvantaged people in the area and in particular for access into tech/startup businesses
- health & well-being activities for all generations
- worthwhile community events, music, culture & arts
- small improvements to public space

Registered charities can apply for £5,000 maximum; non-registered groups, businesses and individuals can apply for £2,000 maximum. Applications will be considered by representatives from Derwent London and the local community. For further information and how to apply, please visit:
